

HORNS PLUS STAGE PLAN

FB = Foldback

MS = Music Stands

C = Chair

- The ideal stage should be 8 metres wide by 5 metres deep (approx. 26' x 16'). Larger size stages are okay.
- 12 chairs required - need to be armless.
- 240 Volt power source with 4 outlets required at stage right (OP).
- Onstage lighting needs to be sufficient to illuminate all music stands (stands do not have lights).
